

To work in UEM is a meaningful work with commitment, competence, efficiency and conviction. In a world torn apart we grow together into a worshipping, learning and serving community. The tasks in our three offices are as diverse as the members of our teams.

In the framework of our South-South-Personal Exchange and on behalf of our member church, the Evangelical Lutheran Church in Tanzania / NWD Diocese, we are looking for a

## Medical Doctor (all gender)

for Ndolage Mission Hospital in Muleba District, Kagera region. The hospital also has a town clinic in Bukoba and a diploma level nursing school. It has a total staff number of 112.
